## BC Shellfish Growers Association

Agenda at a Glance October 31st 2025

Presenter	Topic	Affilia	ation '	Time
	Arrival and Registration			8:30 am
BCSGA	Section 1: BCSGA Strategic Planning Discus	sion BC	SGA	9:00 am
	Break		10:45 pm	15 min
BCSGA	Section 2: BCSGA Membership - Business M	leeting BC	SGA	11:00 am
	Lunch Express Sandwich Bar		12:15 pm	45 min
Section 3: Science, Markets & Viruses:Updates Shaping the Future of BC's Oyster Industry 1 pm to 2:45 pm				
Nico Prins	Norovirus in Oysters: Facts, Myths, & What's Ne	ext for BC B	CSGA	5 min
Bobbi Hudson	Norovirus Detection & Purging Strategies for Oy a Plain English Overview of the State of the Science		acific Shellfis nstitute	h 15 min
Alex Munro	BCSGA Norovirus Committee: Looking for Answers and Exploring Possibilities	В	CSGA	30 min
Dr. Curtis Suttle	A Previously Unknown Virus Associated with Mass-Mortality of BC Oysters: What We Kn	U	IBC	25 min
Bobbi Hudson	U.S. Oyster Market Outlook: Trends & Opportunities		acific hellfish Institu	15 min ute
Marcos Illana-Mata	European Market: New Waters for Canadian Growers		apillas nterprise Inc.	15 min
Marcos Illana-Mata	•		•	
	Canadian Growers	E	nterprise Inc. 2:45 pm	
	Canadian Growers  Break	E	nterprise Inc. 2:45 pm	15 min
Session 4: Strengthe	Canadian Growers  Break  ning Capacity: From Compliance to Cutting-E  Compliance in Practice: Supporting	E	nterprise Inc. 2:45 pm ng 3 pm t	15 min to 4:45 pm
Session 4: Strengthe	Canadian Growers  Break  ning Capacity: From Compliance to Cutting-E  Compliance in Practice: Supporting Responsible Shellfish Aquaculture	E	nterprise Inc. 2:45 pm ng 3 pm t DFO C&P	15 min to 4:45 pm 25 min
Session 4: Strengthe Michael Walter Heather Morrison	Canadian Growers  Break  ning Capacity: From Compliance to Cutting-E  Compliance in Practice: Supporting Responsible Shellfish Aquaculture  BCSGA Licensing Support Program	Edge Breeding Family- Estimate	nterprise Inc. 2:45 pm  ng 3 pm f  DFO C&P  BCSGA	15 min to 4:45 pm 25 min 15 min
Session 4: Strengthe  Michael Walter  Heather Morrison  Malcolm Cowan	Canadian Growers  Break  ning Capacity: From Compliance to Cutting-E  Compliance in Practice: Supporting Responsible Shellfish Aquaculture  BCSGA Licensing Support Program  BCSGA Modernization Program  Genomic Selection of Oysters: Shifting from based Relationship Data to DNA Markers to	Edge Breeding Family- Estimate tely	nterprise Inc. 2:45 pm  ng 3 pm t  DFO C&P  BCSGA  BCSGA	15 min to 4:45 pm 25 min 15 min
Session 4: Strengthe Michael Walter Heather Morrison Malcolm Cowan Dr. Tim Green Marissa Wright-	Canadian Growers  Break  Ining Capacity: From Compliance to Cutting-E  Compliance in Practice: Supporting Responsible Shellfish Aquaculture  BCSGA Licensing Support Program  BCSGA Modernization Program  Genomic Selection of Oysters: Shifting from based Relationship Data to DNA Markers to an Individual's Breeding Value More Accuration	Family- Estimate tely Resilience	nterprise Inc. 2:45 pm  ng 3 pm t  DFO C&P  BCSGA  BCSGA  VIU	15 min to 4:45 pm 25 min 15 min 10 min 20 min
Session 4: Strengther  Michael Walter  Heather Morrison  Malcolm Cowan  Dr. Tim Green  Marissa Wright- LaGreca	Canadian Growers  Break  Ining Capacity: From Compliance to Cutting-E  Compliance in Practice: Supporting Responsible Shellfish Aquaculture  BCSGA Licensing Support Program  BCSGA Modernization Program  Genomic Selection of Oysters: Shifting from based Relationship Data to DNA Markers to an Individual's Breeding Value More Accurated Using Probiotics to Improve Oyster Disease  Applying Genomic Selection to Improve Pace	Family- Estimate tely Resilience ific Oyster	nterprise Inc. 2:45 pm  ng 3 pm f  DFO C&P  BCSGA  BCSGA  VIU  VIU	15 min to 4:45 pm 25 min 15 min 10 min 20 min
Session 4: Strengther  Michael Walter  Heather Morrison  Malcolm Cowan  Dr. Tim Green  Marissa Wright- LaGreca  Denman Moody	Canadian Growers  Break  ning Capacity: From Compliance to Cutting-E  Compliance in Practice: Supporting Responsible Shellfish Aquaculture  BCSGA Licensing Support Program  BCSGA Modernization Program  Genomic Selection of Oysters: Shifting from based Relationship Data to DNA Markers to an Individual's Breeding Value More Accurate Using Probiotics to Improve Oyster Disease  Applying Genomic Selection to Improve Pac Resistance to the Pathogen Vibrio aestuarial Genomic Selection of Pacific Oysters that are to Ocean Acidification  Cocktail Mixer & Oyster Shuck	Family- Estimate tely Resilience ific Oyster	nterprise Inc. 2:45 pm  ng 3 pm t  DFO C&P  BCSGA  BCSGA  VIU  VIU  VIU  VIU  4:45 pm	15 min to 4:45 pm 25 min 15 min 10 min 10 min 10 min
Session 4: Strengther  Michael Walter  Heather Morrison  Malcolm Cowan  Dr. Tim Green  Marissa Wright- LaGreca  Denman Moody	Canadian Growers  Break  ning Capacity: From Compliance to Cutting-E  Compliance in Practice: Supporting Responsible Shellfish Aquaculture  BCSGA Licensing Support Program  BCSGA Modernization Program  Genomic Selection of Oysters: Shifting from based Relationship Data to DNA Markers to an Individual's Breeding Value More Accurated Using Probiotics to Improve Oyster Disease  Applying Genomic Selection to Improve Pac Resistance to the Pathogen Vibrio aestuariant Genomic Selection of Pacific Oysters that are to Ocean Acidification  Cocktail Mixer & Oyster Shuck Sit Down for Dinner & Announcements	Family- Estimate tely Resilience ific Oyster	nterprise Inc. 2:45 pm  ng 3 pm f  DFO C&P  BCSGA  BCSGA  VIU  VIU  VIU  VIU  4:45 pm 5:45 pm	15 min to 4:45 pm 25 min 15 min 10 min 10 min 10 min
Session 4: Strengther  Michael Walter  Heather Morrison  Malcolm Cowan  Dr. Tim Green  Marissa Wright- LaGreca  Denman Moody	Canadian Growers  Break  ning Capacity: From Compliance to Cutting-E  Compliance in Practice: Supporting Responsible Shellfish Aquaculture  BCSGA Licensing Support Program  BCSGA Modernization Program  Genomic Selection of Oysters: Shifting from based Relationship Data to DNA Markers to an Individual's Breeding Value More Accurate Using Probiotics to Improve Oyster Disease  Applying Genomic Selection to Improve Pac Resistance to the Pathogen Vibrio aestuarial Genomic Selection of Pacific Oysters that are to Ocean Acidification  Cocktail Mixer & Oyster Shuck	Family- Estimate tely Resilience ific Oyster	nterprise Inc. 2:45 pm  ng 3 pm t  DFO C&P  BCSGA  BCSGA  VIU  VIU  VIU  VIU  4:45 pm	15 min to 4:45 pm 25 min 15 min 10 min 10 min 10 min

# WELCOME TO THE BCSGA 2025 ANNUAL CONFERENCE AND

AGM!

#### A HUGE THANK YOU TO OUR SPONSORS!

Tenure Sponsor

ACCOUNTING CONSULTING TAX

### Skiff Sponsor

#### Raft Sponsor

#### **Product and Prize Donations**
